Re: UNKNOWN SUBJECTS, aka (FNU) [redacted] (FNU) [redacted] REVEREND JESSE JACKSON - VICTIM; POSSIBLE CIVIL RIGHTS VIOLATION

The attached teletypes advise of an alleged plot to kill the Reverend Jesse Jackson. This information was furnished to [redacted] Asheville, North Carolina, by an individual of unknown reliability who identified himself as [redacted] advises he was in Clinton, Alabama, near a Ku Klux Klan training camp when he overheard a conversation between two Klan members that Reverend Jackson would be killed somewhere in Illinois on July 6 or 7, 1981. [redacted] furnished only the last names of the two Klan members.

A full description of [redacted] was obtained by [redacted] but [redacted] refused to give his address or other means of location because of fear that the invisible Klan was following him. [redacted] was later traced to a local hotel, where he was registered under the name of [redacted] Further attempts to locate [redacted] met with negative results.

It is recommended that the above case be closed for the following reasons:

LC

On 7/5/81 a [redacted] year old [redacted] appeared at [redacted] office and reported that he had overheard two KKK members discussing an attempt on Jesse Jackson's life that was to be made on July 6 or 7, 1981. The man gave deputies a false name and refused to further identify himself, claiming that he was being pursued by the "Invisible Klan." The Bureau notified Rev. Jackson and appropriate authorities and attempted to identify and locate the informant. These efforts have been unsuccessful and no prosecutive action can therefore be undertaken. It should be noted that [redacted] who saw the informant reported that he appeared unkept and disreputable.

Local police departments and FBI offices in those locations in which Jackson was scheduled to visit were advised of the telephone calls. Local police records and FBI indices of the area contacted contained no information regarding either [redacted] Both [redacted] and the [redacted] were advised to contact the FBI if any more calls of this nature were received. Due to all of the above and the fact that Jackson did not come to Detroit on August 6, 1981, or the weeks subsequent to that, no further investigation is being conducted by this office.

[redacted] HE OVERHEARD FOUR INDIVIDUALS WHO WERE AT THE BAR GETTING DRINKS, TALKING LOUDLY. HE INITIALLY HEARD THE ONE INDIVIDUAL WHO SAID THAT MARTIN LUTHER KING AND JESSE JACKSON WERE ALIKE AND THAT THE FAMILY OF JAMES EARL RAY WAS BEING TAKEN CARE OF. ANOTHER INDIVIDUAL WHO WAS STANDING IN THE GROUP OF FOUR WHITE MALES SAID THAT WE CANNOT HAVE A "NIGGER" PRESIDENT AND IF HE (REFERRING TO JACKSON) RUNS FOR PRESIDENT, THEY WOULD HAVE TO GET HIM BEFORE HE WAS ELECTED.

THIS CONVERSATION OCCURRED APPROXIMATELY AN HOUR TO 45 MINUTES BEFORE THE END OF THE PARTY [redacted] AND AT THAT TIME OVER HALF OF THE ATTENDEES HAD LEFT. ALSO BY THAT POINT IN THE PARTY, MOST OF THE INDIVIDUALS THERE WERE PRETTY WELL BOOZED UP. HE DID NOT KNOW IF THE CONVERSATION WHICH HE OVERHEARD WAS GENERATED BY THE LIQUOR OR WAS SERIOUS. THE FOUR INDIVIDUALS AFTER GETTING THEIR DRINKS AFTER A SHORT PERIOD OF TIME LEFT THE BAR AREA AND REJOINED THE MAIN GROUP OF THE PARTY. AT THAT POINT, HE ASKED ONE OF THE BARTENDERS IF HE HAD HEARD THE CONVERSATION WHERE THE GUY SAID THEY WERE GOING TO KILL JESSE

43

JACKSON.

HE DID NOT SEE THE FOUR INDIVIDUALS INVOLVED IN THE CONVERSATION AT THE BAR LEAVE IN A CAR BUT THEY DID LEAVE WITH FIVE OR SIX WOMEN AND HE OVERHEARD ONE OF THE WOMEN SAY THAT THEY HAD A LONG DRIVE AHEAD OF THEM. RESUMING WHEN HE HEARD THE FIRST INDIVIDUAL TALKING AT THE BAR, AND TALKING ABOUT MARTIN LUTHER KING, HE HEARD THIS INDIVIDUAL SAY THAT WE SHOULD HAVE GOTTEN THE "BASTARD" ABOUT FIVE YEARS EARLIER. THIS INDIVIDUAL ALSO SAID THAT JESSE JACKSON WAS A BIT BETTER AND WHEN ASKED IF THERE WAS ANY REFERENCE TO THE KLAN INVOLVED IN THE CONVERSATION, [redacted] THAT HE ASSUMED THEY WERE TALKING ABOUT THE KLAN BUT WAS NOT SURE THAT IT WAS SPECIFIED. b7C b7D

THE FOUR INDIVIDUALS WERE YOUNG AND AVERAGE HEIGHT AND BUILD AND TWO DRESSED IN SUITS AND TWO IN SWEATERS AND SLACKS.

[redacted] and during the course of the party, he overheard four white males who were at the bar talking loudly. One of the individuals was comparing MARTIN LUTHER KING and JESSE JACKSON, saying that he was alike, and that the family of JAMES EARL RAY was being taken care of. Another individual in the group said that we cannot have a "nigger" president and if he, referring to JACKSON, runs for president, they would have to get him before he was elected. The four white males, after obtaining their drinks, left the bar and returned to the party and he observed them leave with five or six females. He does not know the identity of these individuals. After overhearing the conversation between the four white males, he asked one of the bartenders if he had heard the conversation of the four white males.

He recalled that there were four white males who were standing at the bar as he happened to walk by, and he heard one of these individuals talking very loudly about MARTIN LUTHER KING and JESSE JACKSON. Another white male standing in the group of four said that we cannot have a "nigger" president, and if he (referring to JESSE JACKSON) runs, we would have to get him before he was elected. He was not sure of the exact words used by the second individual. He estimated that this occurred during the last hour to 45 minutes of the party, and by that time, over half the people had already left the party. He noted that at the time he overheard the conversation, that most of the people who were attending the party was pretty well "boozed up". After overhearing the conversation, he asked the bartender at the party if he had heard the conversation where the guys said that they were going to kill JESSE JACKSON.

He does not know the four white males and had not seen them before. When he heard the conversation concerning JESSE JACKSON, prior to that they had been talking about MARTIN LUTHER KING and the second individual whom he overheard said that they got that "bastard" about five years too late. This individual did say that JESSE JACKSON is a bit better than MARTIN LUTHER KING, but if he did run, they would have to get him before he was elected. He did not recall specifically hearing any reference to the Klu Klux Klan, but assumed that is the group that they were referring to.

This is to advise of information furnished by U. S. Attorney (USA), Northern District of Iowa (NDI), concerning a rumored affair to be held in Albuquerque, New Mexico, in support of American Indians, participants of which reportedly are black extremist Stokely Carmichael, militant Mexican-American "Corky" Gonzales, and actor Marlon Brando, who has expressed support for Indian militants at Wounded Knee. Investigation has determined the affair is a conference to discuss peaceful ways of settling problems and Carmichael, Gonzales, and Brando are not scheduled speakers.

On 4/3/73 Departmental Attorney William P. Tyson, Criminal Division, furnished information obtained from Evan L. Hultman, USA, NDI, concerning an affair in support of American Indians reportedly to be held at Albuquerque, New Mexico, on 4/7-11/73. Reported participants in the affair included black extremist Stokely Carmicha actor Marlon Brando, and militant Chicano leader "Corky" Gonzales from Denver, Colorado. Entertainer Johnny Cash had also been invite Hultman received his information from

[redacted] Other speakers include Carmichael, Brando, Gonzales, Cash, Reverend Jesse Jackson, civil rights activist from Chicago, Illinois, and American Indian Movement (AIM) leader Bellecourt. [redacted] black militants and Chicanos may take over the conference. Hultman requested the FBI not to contact [redacted] close relationship he has established and since such a contact could be detrimental. [redacted]

Investigation by our Albuquerque Office determined captioned conference to be held 4/7-8/73 (not 4/7-11/73) under leadership of Reies Lopez Tijerina, a former militant Mexican-American who has since renounced violence and illegal activity [redacted] Purpose of conference, which is an annual affair, is to get people of different views to discuss and solve their problems peacefully. Speakers at conference will include several American Indians including Madbear and AIM leader Vernon Bellecourt, plus Reverend Jackson of Chicago, actor Dennis Hopper, and other individuals including local church, political, and business leaders. Unsuccessful efforts were made to invite Brando and Cash to the conference and absolutely no invitations were extended to Carmichael and Gonzales. The conference has received local publicity and no problems, demonstrations, or disorders are anticipated.

It appears the original information [redacted] Hultman is exaggerated and erroneous. Our Albuquerque Office is closely following for any indication of demonstrations or disorders growing out of the conference. Details have been furnished to the Internal Security and Criminal Divisions of the Department.

National spotlight on No. Carolina protest

People's World Staff Roundup

LOS ANGELES — The spotlight of national attention is focusing sharply on North Carolina in preparation for the July 4 demonstration planned at Raleigh, N.C., by the National Alliance Against Racist and Political Repression.

Singer-composer Stevie Wonder has pledged his support for the Raleigh meeting and will probably be there to perform.

Delegations from around the country will converge on Raleigh to protest conditions in what NAARPR leaders call the most repressive state in the union.

A thousand people came to the Embassy Auditorium in Los Angeles June 14 to hear Angela Davis and other top leaders of NAARPR, including Carl Bra-

den, Mitsuo Takahashi, Charlene Mitchell, Nareshimah Osei and the Rev. Al Dortch, kick off

the organizing drive for the Southern California delegation.

Ms. Davis had last spoken in Los Angeles in June 1972 after her acquittal on frame-up murder charges. She had then spoken of the need to build a national defense organization.

ORGANIZERS

"We have fulfilled the promise of that speech," Ms. Davis told the cheering crowd, "and built that organization."

NAARPR is planning the Raleigh march to achieve what it calls "the first major national mobilization against racism since the death of Martin Luther King."

Among those who are helping to organize for the Raleigh meeting are Rep. John Conyers (D-Mich.) who will lead a Michigan delegation to North Carolina. The delegation will include Michigan State Representatives Jackie Vaughn and Charles Harrison and Detroit Judge Claudia Morcum.

Other organizers include Gary, Indiana, Mayor Richard Hatcher; Rep. Ronald Dellums (D-Cal.); the Rev. Jesse Jackson; musician Donald Byrd; and football star Ben Davis.

The American Indian Movement, the Puerto Rican Socialist Party and other groups will send delegations. The Commission on Racial Justice of the United Church of Christ has donated 20 buses, according to Ms. Davis.

Speaking in Los Angeles with Ms. Davis was Carl Braden who testified to the strength of the NAARPR in its local chapter in Kentucky.

Braden spoke of an all-white jury which recently freed a Black man charged with killing a white policeman. "I've worked in the state (Kentucky) for 45 years," Braden said, "and that's the first time I've ever seen anything like that," commenting that it was NAARPR work that made the jury vote to acquit.

STRONG APPEAL

Braden also mentioned a recent trip he took to the German Democratic Republic which resulted in thousands of petitions being sent to North Carolina's governor demanding an end to repression there.

While in Los Angeles, Ms. Davis visited the house on East 54th Street in Compton where six members of the Symbionese Liberation Army were killed May 17.

She spoke to area residents whose homes had been destroyed that day and pledged her support to do as much as possible to end what she called wanton, racist disregard by police for Black residents. As yet Los Angeles has paid only a few of the damage claims arising from the incident.

Northern California member of the executive board of NAARPR, Fania Davis Jordan also made a strong appeal for people to go to Raleigh.

"There is a relationship between Bay area and North Carolina," she said at a reception for NAARPR executive secretary Charlene Mitchell and Angela Davis in Northern California, "and workers in North Carolina are paid less than workers anywhere else in the country. Almost every major city is a company town. There are more prisons there than in any other state and prisoners become slave labor in the tobacco and textile industries.

"That's why we're making a special effort to contact union organizations here."

In Northern California NAARPR may be reached at 3169 - 16th st., San Francisco (626-1318) and in Southern California at 720 South Western ave. # 202 (388-1266).

[redacted] was interviewed regarding his source of information and advised that he related only a theory to the [redacted]nd was under the impression that he made that point clear to the individual to whom he spoke.

[redacted] he is only theorizing that the Reverend JESSE JACKSON will be killed in the near future just as his predecessor, the late Reverend MARTIN LUTHER KING, if he vigorously continues his struggles for equality.

[redacted] the lives of Reverend JACKSON and Reverend KING parallel each other in that prior to the death of the late Reverend KING, many barriers and obstacles confronted Reverend KING while he insistently pursued his struggle for equal rights. He stated the most noticeable obstacles were the restrictions and the antagonizing of his marches in Atlanta, Georgia, Birmingham, Alabama, and Memphis, Tennessee, by individuals representing law enforcement.

He stated in Memphis, Tennessee, where Reverend KING was killed, his march was interrupted and marchers were so antagonized that the march was called off and planned for the following day.

[redacted] on the day of the re-scheduled march, KING was mortally wounded by a conspirator in a resistance movement.

He stated JACKSON's continuance of the struggle for equality is paralleling the trials of the late Reverend KING. He stated during the recent January, 1975 "March on the White House," led by Reverend JESSE JACKSON, he (JACKSON) encountered the same antagonizing and disrupting attempts by the Washington Metropolitan Police Department who utilized police dogs and officers to divert the march from the White House area.

He further stated this resistance is in his opinion just one in a series of those to come. He stated JACKSON's insistence is as strong as that of the late Reverend KING and he is fairly well convinced that his insistence will inevitably result in the death of Reverend JACKSON as it did Reverend KING.

92

b7C
b7D

[redacted] he spoke of the parallel lives of the two men now so that he will be credited with being the first to report the conspiracy which he feels is taking place against Reverend JACKSON's life.

Alexandria indices and Fairfax County Police Department records are negative regarding [redacted]

In view of the above information, no further action being taken by Alexandria.

I. PURPOSE

The FD-610 was designed to provide a complete set of pertinent facts for each Civil Rights case which can then be directly entered into a computer which will assist in a more effective, efficient and economical management of the Civil Rights Program. Each office **MUST** correctly complete **ALL** items requested on the form either on the initial submission or later by supplemental submission prior to the close of the case.

II. WHEN TO SUBMIT

The FD-610 is to be submitted in **all** cases supervised by the Civil Rights Unit, which include the following classifications: 44-CR; 50-ISS; 173-CRA 1964; 177-DIH; 187-Privacy Act of 1974-Criminal; 189-ECOA; 204-FRS; 214-CRIPA.

One function of the FD-610 is to replace the FD-365 in Civil Rights cases. It should be, in most cases, the initial communication advising FBIHQ of the initiation of an investigation, however, if the urgency of the situation requires a teletype the FD-610 should be submitted as soon as possible.

III. DESCRIPTION AND REQUIREMENTS REGARDING ITEM #1 ON THE FD-610

Initial - should be checked if it is the first FD-610 submitted in the case - every attempt should be made to provide all the information required on the form on the initial submission; however, the initial submission of the form should not be held in abeyance while awaiting data which will be obtained at a later date.

Supplemental - should be checked when providing data which was not available, and therefore was omitted from the FD-610 form(s) previously submitted.

Revision - should be checked in all instances wherein information previously provided by form FD-610 was incorrectly reported. When submitting revisions, provide data only in those items requiring a change.

IV. *Denotes items on the FD-610 which must be completed on the initial submission by the Field Office.

I. PURPOSE

The FD-610 was designed to provide a complete set of pertinent facts for each Civil Rights case which can then be directly entered into a computer which will assist in a more effective, efficient and economical management of the Civil Rights Program. Each office **MUST** correctly complete **ALL** items requested on the form either on the initial submission or later by supplemental submission prior to the close of the case.

II. WHEN TO SUBMIT

The FD-610 is to be submitted in all cases supervised by the Civil Rights Unit, which include the following classifications: 44-CR; 50-ISS; 173-CRA 1964; 177-DIH; 187-Privacy Act of 1974-Criminal; 189-ECOA; 204-FRS; 214-CRIPA.

One function of the FD-610 is to replace the FD-365 in Civil Rights cases. It should be, in most cases, the initial communication advising FBIHQ of the initiation of an investigation, however, if the urgency of the situation requires a teletype the FD-610 should be submitted as soon as possible.

III. DESCRIPTION AND REQUIREMENTS REGARDING ITEM #1 ON THE FD-610

Initial - should be checked if it is the first FD-610 submitted in the case - every attempt should be made to provide all the information required on the form on the initial submission; however, the initial submission of the form should not be held in abeyance while awaiting data which will be obtained at a later date.

Supplemental - should be checked when providing data which was not available, and therefore was omitted from the FD-610 form(s) previously submitted.

Revision - should be checked in all instances wherein information previously provided by form FD-610 was incorrectly reported. When submitting revisions, provide data only in those items requiring a change.

IV. *Denotes items on the FD-610 which must be completed on the initial submission by the Field Office.
